2.4.4 : - Percentage of full time teachers working in the institution throughout during the last five years

2.4.4.1: Number of full time teachers work in the institution throughout during the last five years

Formula

$$\text{Teachers working ratio} = \frac{\text{Number of full time teachers working in the institution throughout during the last five years}}{\text{Number of full time teachers worked in the institution during the first year of the assessment period}} \times 100$$

$$\text{Teachers working ratio} = \frac{18}{20} \times 100 = 90\%$$
