AUDIT REPORT

Independent Auditor's Report

To,
The Chairman (Governing Body),
D.P. Vipra Law College,
BILASPUR (C.G.)

Dear sir,

Sub: Audit of Accounts of D.P. Vipra Law College, Bilaspur for the
year ended 31st March, 2022

We have examined the Balance Sheet of Dwarika Prasad Vipra Law College, Bilaspur (C.G.) as on 31st March, 2022 alongwith Receipts & Payments Account and Income & Expenditure A/c for the year ended on that date which are in agreement with the books of account maintained at the College. We report that:-

Report On The Financial Statements

We have audited the accompanying financial statement of D.P. VIPRA LAW COLLEGE, which comprise the balance sheet as at MARCH 31, 2022 and receipts and payment account and income and Expenditure Account, for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management Responsibility For the Financial Statements

Management is responsible for the preparation of these financial statements in accordance with the accounting principles generally accepted in India. This responsibility also includes the design, implementation and maintenance of internal financial controls relevant to the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards on auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the firm's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statement.

Opinion:-

We report that:-

1. **BOOKS OF ACCOUNT:** The institution has maintained the following books of account for the year under audit:-

- | | |
|------------------------------------|---------------------|
| a) Cash Book | b) Ledger |
| c) Journal | d) Bank Books |
| e) Salary Register | f) Daily Collection |
| g) Receipt Books for Fee, & | Register for Fees |
| h) Voucher Files for Expenses etc. | |

2. **BALANCE CONFIRMATION:** The balances in the Loans & Advances (Assets), Security Deposits, Scholarship accounts, Unsecured Loans & Advances (Credit), and Caution Money A/c are subject to confirmation at the year end.

3. **VOUCHERS:** It has also been observed during the course of audit that some of the expenses were supported by internal vouchers only.

4. **ADVANCES:** There are a few Advances to Staff and others which are not yet recovered/adjusted even after a long time.

We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.

In our opinion, proper books of account have been kept (subject to comments as above) by the college so far as appears from our examination of the books.

Subject to our comments mentioned in Paras (2) and (3) above and according to the explanations given to us, the said Balance Sheet, Income & Expenditure A/c and Receipts & Payments A/c give a true & fair view:-

i) in the case of the Balance Sheet, of the state of affairs of the college as at 31st March, 2022 and

ii) in the case of Income & Expenditure A/c, of the Surplus (Excess of Income over Expenditure) of the college for the year ended on that date.

VIPRA LAW COLLEGE, which comprise the balance sheet as at MARCH 31, 2023 and receipts and payment account and income and Expenditure Account, for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management Responsibility For the Financial Statements

Management is responsible for the preparation of these financial statements in accordance with the accounting principles generally accepted in India. This responsibility also includes the design, implementation and maintenance of internal financial controls relevant to the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards on auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the firm's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statement.
