CHAPTER 3

जलवायु परिवर्तन

निमेश खोडियार

D.P. Vipra Law College, Bilaspur (C.G.)

किसी भू-भाग की वहाँ की भौगोलिक स्थिति के अनुसार रहने वाले औसत मौसम की दशा ही उस क्षेत्र की जलवायु होती है और इसी जलवायु में होने वाला परिवर्तन ही जलवायु परिवर्तन है। जलवायु परिवर्तन एक गंभीर स्थिति है। जो उस क्षेत्र की वनस्पतियों एवं जीव-जतुओं के अस्तित्व के लिए नुकसान दायक है।

जनवायु परिवर्तन एक धीरे-धीरे होने वाली प्रक्रिया है जो कि प्राकृतिक एवं मानव निर्मित कारणों पर निर्भर है। जलवायु परिवर्तन के लिए मानव निर्मित कारक ही सबसे प्रमुख है। प्राकृतिक कारण बहुत ही नगण्य है जिसके अंतर्गत समुद्री धाराएँ, पृथ्वी का झुकाव आदि शामिल है।

जलवायु परिवर्तन के कारक

बढ़ती जनसंख्या एवं उनकी आवश्यकताओं की पूर्ती साथ ही उपभोगतावादी संस्कृति ने प्राकृतिक संसाधनों का अंधाधुंध दोहन एवं उन्हें दूषित करने का काम किया है। इस आधार पर जलवायु परिवर्तन निम्नलिखित कारण है –

- वनों का काटना
- शहरीकरण
- औद्योगीकरण
- रसायनिक पदार्थों का उपयोग

इन सभी के परिणाम स्वरूप पृथ्वी का तापमान लगातार बढ़ रहा है और यही जलवायु परिवर्तन का मूल कारण है।

CHAPTER 9

ENVIRONMENTAL JURISPRUDENCE IN 21ST CENTURY

Priyanka Menda, Gagan Upadhyay

D. P. Vipra Law College Bilaspur (C.G.)

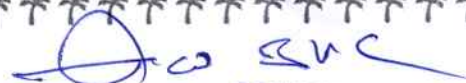

Abstract

Environmental jurisprudence plays a paramount role in establishing the legal framework that governs environmental protection, encompassing a comprehensive set of laws, principles, and mechanisms. It extends beyond conventional aspects like air and water to encompass the entirety of a thriving ecosystem. Government legislation spans diverse areas such as waste management, afforestation, and the delineation of eco-sensitive zones. However, the execution of these laws is a shared responsibility, necessitating active citizen involvement. Notably, Indian courts have significantly enriched environmental law by formulating a range of environmental principles. These principles have coalesced into a well-structured framework, outlining citizen responsibilities towards environmental safeguarding. This foundational structure within environmental jurisprudence is pivotal in defining and reinforcing the obligations of citizens, thus lending crucial impetus to the quest for environmental preservation and sustainability.

Keywords: jurisprudence, legal framework, legislation, environmental sustainability

Introduction

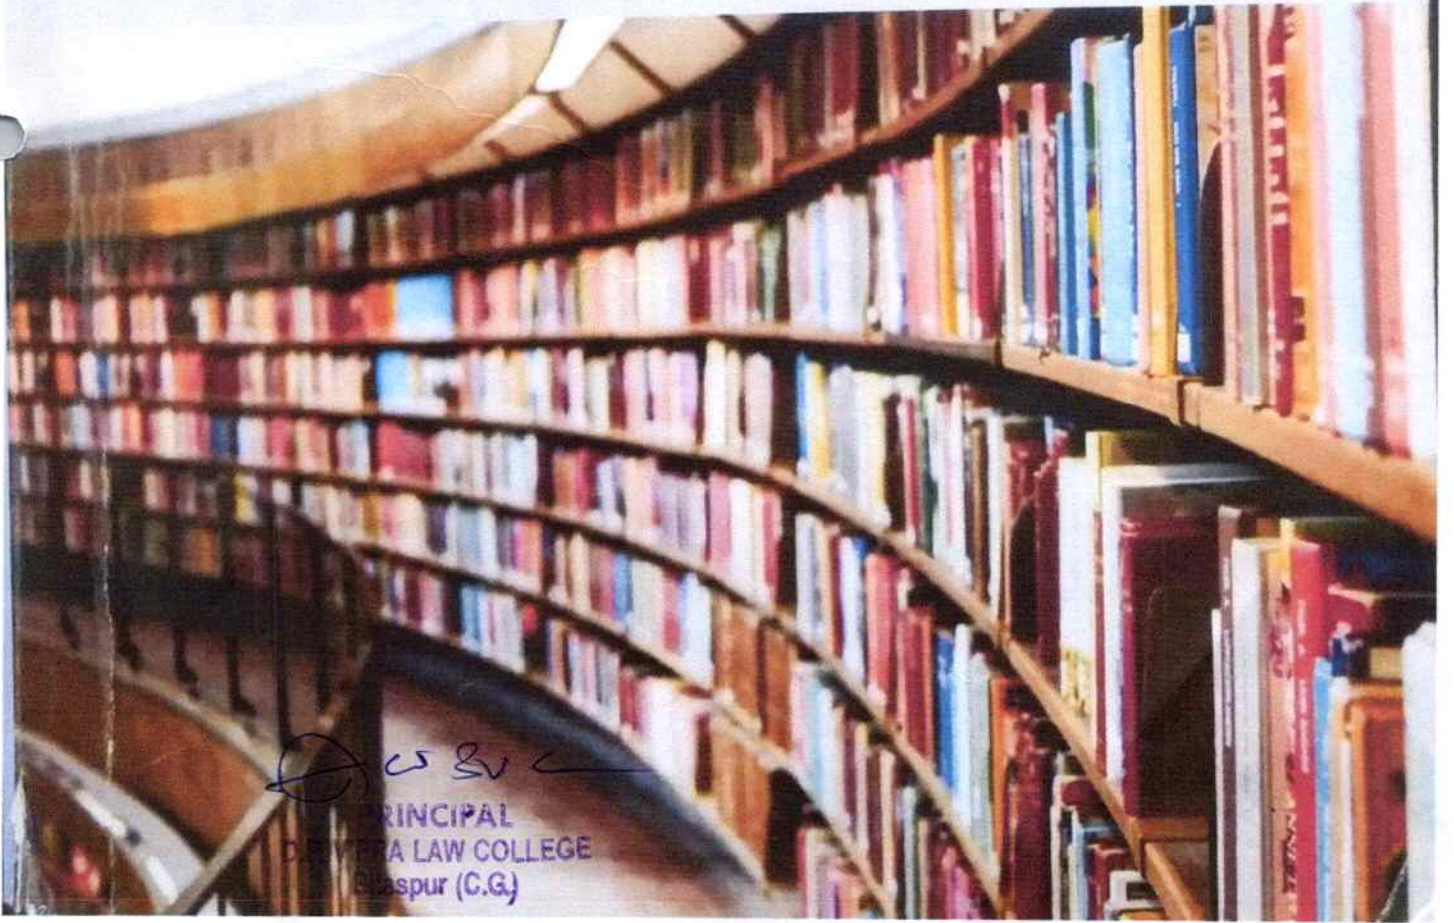

Environmental jurisprudence plays a crucial role in shaping legal framework and principles that govern the protection, conservation, and sustainable use of the environment. It encompasses the body of laws, doctrines, and legal mechanisms that aim to address environmental challenges and promote the well-being of ecosystems and human societies. In recent decades, environmental jurisprudence has gained increasing significance as environmental issues have risen to the forefront of global concerns. Whenever we talk about the environment the first thing which clicks on our mind is fresh air and water. Lot of initiatives has also been taken with respect to air and water, but it is not the complete arena of environment. There are various other factors which collectively make a healthy environment for the people to live in. Innumerable legislation has been

Habitual Offence And Hereditary Criminality Related To Certain Tribes – A Study

-Dharmendra Sharma

Abstract

During the British times a number of tribes were found uprising against them and hence under colonial rule they were termed as criminal tribes. In 1931 they were labelled as habitual criminals due to which their movements were restricted.

Key Words - Criminal Tribes, Criminal Tribes Act.

British Era- During the British regime a number of tribal groups in India near about 335 were designated as having perpetual, hereditary Criminal triat and habitual offenders behaviour. To implement this the British government passed the Criminal Tribes Act, 1931 and they were labelled as habitual criminals due to which restrictions were imposed on their movements.

Thugees were cult who existed even before the arrival of the British. They were the worshippers of Kali and looted and murdered the travellers on their way. As a defence against them the Criminal Tribes Act was passed to bring about order and security.

Reforms post-Independence- Now Criminal Tribes Act, 1931 was passed by the Central Government to study the utility of the existence of their law and in 1950, it was reported that the system violated the spirit of the Indian constitution. After independence, this act was replaced by the government with the habitual offenders Act 1952 but instead of easing their lives, the lives of this tribals were again stigmatised.

Information Ethics : Addressing ethical issues related to information access, privacy, copyright, and intellectual property

Ms. Sushma Tiwari

Abstract : Information ethics is a critical field that addresses the ethical implications of information access, privacy, copyright, and intellectual property in the digital age. This article explores the ethical challenges associated with these key aspects of information ethics and highlights the importance of promoting equitable access to information, safeguarding individual privacy, upholding copyright laws, and respecting intellectual property rights. It delves into the ethical principles guiding information professionals and policymakers in navigating the ever-evolving information landscape responsibly.

Keywords: Information, Privacy, Data-Protection, Ethics, Copyright, Intellectual Property

1. Introduction- The advent of the digital era has revolutionized the way information is accessed, used, and disseminated. However, this transformation also brings forth ethical dilemmas concerning who has access to information, how personal data is handled, and the rights of creators and users in the digital realm. This article delves into the ethical considerations in information ethics, emphasizing the need for ethical decision-making to build an inclusive, responsible, and equitable information ecosystem.

Digital ethics and emerging technologies are crucial topics within the field of information ethics, as they address the ethical implications of new technological advancements and their impact on individuals and society. The rapid development and adoption of digital

Library And Academic Integrity

*Dr. Anupa Thomas

**Prof. Shaji Thomas

Abstract : In the era of Information Technology, proper access to messages and information is very pivotal to the growth of intellect of an individual ; regarding studies and career development. Libraries contribute a big deal in framing and -shaping, even in polishing the intellects who deem to be successful in future times ever since times immemorial. This paper goes to the details of academic library and research specially.

Key words : Academic Library, Research Library, Digital Library and other electronic Gadgets.

Academic Libraries play a very important role in supporting the activities followed by the parent body and in capacitating the research activities conducted by the students and faculties. These libraries contribute to the quality of education and research in the following ways:

- It provides globalized platform for quality education.
- It provides best E-learning journey.
- It promotes self-development in students.
- It provides academic development to students.
- It encourages skill development in students.

As the library is the heart of the university, the expenditure on library is very high, and it has a direct impact on the prestige of an institution. Moreover the economic benefits of a good library are considerable. Good quality library resources attract and retain academically the prestige of an institution. Good graduates are attracted to it; along with the number of students. The retention rate is great in the universities with good library. They spend more on materials and employ more staff. The

साहित्यिक चोरी

—गगन उपाध्याय

सारांश

'साहित्यिक चोरी' शोध विषय की महत्वपूर्ण समस्या है जिसमें शोधकर्ता किसी अन्य व्यक्ति के शोध कार्य से उसकी विचार शैली की नकल करके अपने साहित्य का निर्माण करता है। यह शोध पत्र मुख्यतः शोध कार्य में साहित्यिक चोरी के संदर्भ में लिखि गई है। शोधपत्र में साहित्यिक चोरी के अर्थ को विस्तृत रूप से समझने की कोशिश की है। साथ ही साहित्यिक चोरी शब्द की उत्पत्ति पर विचार किया गया है। साहित्यिक चोरी की रोकथाम के लिये विश्वविद्यालय अनुदान आयोग राजग है, इसको रोकने के लिये विश्वविद्यालय अनुदान आयोग द्वारा जारी उच्चतर शिक्षा संस्थानों में अकादमिक सत्यनिष्ठा एवं साहित्यिक चोरी रोकथाम विनियम 2018 के प्रावधानों पर ध्यान दिया गया है साथ ही साहित्यिक चोरी के स्तर के आधार पर दण्ड का भी उल्लेख किया गया है। इस शोधपत्र में साहित्यिक चोरी रोकथाम पर सुझाव बताये गए हैं। इस शोध पत्र का मुख्य उद्देश्य साहित्यिक चोरी को समझकर उसके संबंध में सन्तुष्ट के समाधान पर ध्यान देना है।

विशेष शब्द— विनियम, साहित्य, शैली, अपहरण, कृति

प्रस्तावना— वर्तमान समय में आधुनिकता एवं इंटरनेट का अविस्कार साहित्य को आपस में जोड़कर रखती है। इन्ही आधुनिकता के कारण साहित्योपभोग्यता की पहंच आसान हो गई है इससे साहित्यों की लोकप्रियता में तेजी से वृद्धि हुई है। इस लोकप्रियता के कारण ही व्यक्तियों का साहित्य लेखन में रुचि बढ़ रहा है परन्तु लेखन एक कला है जोकि हर किसी के लिए सहज नहीं होता अतः व्यक्तियों में लेखन गुण न होने के कारण अपनी रूचि की पूर्ति के लिए किसी की कृति से उनके विचारों को चुराकर करते हैं या किसी अन्य की कृति को अपने नाम से प्रकाशन कराते हैं जिससे साहित्यिक चोरी एक सामान्य के रूप में उभर रहा है।

साहित्यिक चोरी— साहित्यिक चोरी शब्द Plagiarism का हिन्दी रूपांतरण है। Plagiarism शब्द Plagiarius का रूपांतरण है जिसका अर्थ अपहरण करना

सूचना साक्षरता (Information Literacy)

प्रगति श्रीवास्तव

सारांश— इस शोध पत्र में सूचना साक्षरता, सूचना साक्षरता के स्रोत, सूचना साक्षरता का इतिहास, सूचना साक्षरता के मानक और उसकी मार्गदर्शिका, सूचना साक्षरता के मॉडल, सूचना साक्षरता के कौशल, प्रबंधन व मूल्यांकन आदि का संक्षिप्त विवरण दिया गया है। सूचना साक्षरता का शिक्षा पर प्रभाव व इसकी उपयोगिता। सूचना साक्षरता के राष्ट्रीय गंच तथा अंतरराष्ट्रीय संगठन आदि का भी उल्लेख किया गया है।

विशेष शब्द— सूचना साक्षरता, गानक, मॉडल, कौशल, प्रबंधन एवं मीडिया। साक्षरता अर्थ साक्षर होने यानी पढ़ने लिखने की क्षमता से सम्पन्न होना। अलग अलग देशों में साक्षरता के अलग अलग मानक हो सकते हैं।

भारत में National Literacy Mission के अनुसार अगर कोई व्यक्ति अपना नाम लिखने व पढ़ने में सक्षम है तो उसे साक्षर माना जायेगा।

भारत का केरल राज्य 94 प्रतिशत साक्षरता के साथ भारत का सबसे साक्षर राज्य है। वहीं भारत का न्यूनतम साक्षर दर वाला राज्य आंध्र प्रदेश है। बिहार साक्षर दर 66 प्रतिशत है। वहीं भारत का सर्वाधिक साक्षरता दर वाला राज्य तमिल प्रदेश लक्ष्यदीप है, जिसकी साक्षरता दर 92 प्रतिशत है।

सूचना साक्षरता आजकल अनुसंधान का एक बेहद सक्रिय क्षेत्र है। सूचना साक्षरता का शिक्षा तथा अनुसंधान के क्षेत्र में अधिक उपयोग हो रहा है।

सूचना साक्षरता का सिद्धांत सबसे पहले पॉल जुरकोवस्की ने 1974 को दिया था व सूचना उद्योग संघ के अध्यक्ष भी थे। उन्होंने अपने अनुभव के आधार पर यह कहा कि सूचना के बारे में साक्षर व्यक्ति अपने काम में सूचना संसाधनों को प्रभाव्यता में प्रशिक्षित होते हैं वे अनुसंधान और अध्ययन में उन लोगों की तुलना अधिक समझदार और अपेक्षाकृत निर्णय लेने में सक्षम होते हैं। सूचना के अभाव में ऐसा निर्णय लिया जाता है जो या तो परेशानियों का निदान निकालने में असफल साबित होता और यदि सफल हो भी जाता है तो व व्यय को मूल जड़ से समाप्त नहीं कर पाता है। सूचना की एकत्रित की जानकारी में से यह पता लगा पाया कि कौन सी सूचना हमारे काम की है

Academic Integrity and Plagiarism

Mrs. Puja Thakur

Abstract – Academic Integrity is the basic moral value of the Academic World. It saves an academician teacher, student, researcher from Plagiarism cheating and from bringing disrepute to him/her. An attempt has been made in this paper to understand the meaning of academic integrity and its importance. In the recent past, there have been various efforts to frame laws and regulations to maintain academic regulatory in the works and the same has also been dealt with in this paper and further suggestions have been made to strengthen the same.

Academic Integrity & Plagiarism Defined – Academic Integrity, creating, plagiarism, copying are the concerns of the at-most importance in the academic world and the same is directly related to the researchers, students, teachers and academicians.

Academic Integrity – Academic Integrity has been defined as the foundation stone of academic life. It is the common expectation that the teachers, students, researcher and the members of academic community will act with fairness, honesty and responsibility. It is the manner, in which one acts and behaves in an academic environment, researching, written in exam and protect etc. Academic integrity means observing honesty and high values in the work or exam, being fair, responsible and genuine. The fundamental values in the academic are honesty, trust, respect, fairness and responsibility and the commitment to observe these basic value is academic integrity.

Plagiarism – Plagiarism is defined as using strangling or representing the ideas, words or research of another person as one's own ideas, words or work. In other words, it is submitting work that is not once own as he is her work without acknowledge, citing or

सूचना साक्षरता

निमेष खोडियार

सारांश— वर्तमान युग सूचना क्रांति का है, बिना सूचना के मानव जीवन को सुचारु रूप से चलाना संभव प्रतीत नहीं होता है। इस शोध पत्र में सूचना साक्षरता की उपयोगिता इसके प्राप्ति के प्रभावी ढंग एवं मूल्यांकन को प्रकट करता है।

कुंजी— सूचना साक्षरता,

प्रस्तावना— साक्षरता किसी व्यक्ति के लिखने पढ़ने से संबंधित योग्यता को प्रकट करती है। साक्षरता किसी व्यक्ति की उन योग्यताओं को इंगित करता है जिसके द्वारा उसे यह ज्ञान हो जाता है कि उसे किस प्रकार की सूचना की आवश्यकता है और यह सूचना उसे कहाँ से एवं कैसे प्राप्त हो सकती है। सूचना साक्षर व्यक्तियों में सूचनाओं के मूल्यांकन एवं इसके प्रभावी ढंग से उपयोग करने की योग्यता विकसित होती है।

वर्तमान युग सूचना क्रांति का युग है। बिना सूचना के किसी भी कार्य को सुव्यवस्थित ढंग से संचालित करना अत्यंत कठिन कार्य है अतः प्रत्येक व्यक्ति को इसकी अत्यंत आवश्यकता है। अतः उसे सूचना साक्षर बनना ही होगा। सही सूचना उचित माध्यम से उचित समय में प्राप्त होना परम आवश्यक है।

सूचना साक्षर के आवश्यक तत्व— सूचना साक्षरता में निम्नलिखित आवश्यक तत्वों का होना अति अनिवार्य है—

- उचित, स्पष्ट एवं पूर्ण सूचना की पहचान
 - सूचना प्राप्ति के विभिन्न साधनों को आवश्यक ज्ञान हो
 - सूचनाओं का उचित मूल्यांकन ताकि भ्रामक सूचनाओं से बचा जा सके।
- सूचना साक्षरता एवं पुस्तकालय**— पुस्तकालय एवं सूचना केंद्र है जो विभिन्न सूचनाओं का संग्रहण करता है एवं लोगों को वितरित भी करता है। समाज के विकास एवं शोध कार्यों के लिए गिन्न रूप में पुस्तकालय में उपलब्ध सूचनाओं की विशेष भूमिका रहती है। तकनीकी विकास के साथ ही पुस्तकालय की तकनीक आधारित सूचना छात्रों तक पहुँचा रहा है जिसमें कम्प्यूटर एवं इंटरनेट बहुत उपयोगी साबित हुए हैं।

Law Libraries: with special focus on Academic Law Libraries

*Dr. Nidhi Gupta

**Dr. Pramod Sharma

Abstract : A law library is a residence of law books and literatures where one can find the required law. Academic law libraries are primarily connected to teaching and research, and these libraries are also accommodates the instructional requirements of the law college curriculum. Whatever the libraries change, designing academic libraries to house law collections, was traditionally based on developing the library to house books, store microform and seat students.

1. Introduction : The law library is truly plays a vital role in the administration of justice. It is an institution of extraordinary social significance in a free society, inspiring the men and women of vision who devote their talents to the creation and preparation of law libraries, whose benefits reach out far and beyond the personal interests of the original creators.

2. Types of Law libraries : A Law library in Judicial Infrastructure under the judicial infrastructure has two tiers in the infrastructure-Supreme Court at the first level and a chain of High Courts at the second level. All of these infrastructures have good library facilities since their establishment. The law libraries in India can be classified in to five categories.

- (i) Academic Law libraries
 - (1) Law College Libraries
 - (2) Law University Libraries
- (ii) Law libraries in Judicial Infrastructure
 - (1) Supreme Court of India Library

PLAGIARISM

Priyanka Menda

Introduction

Plagiarism is an insidious threat that haunts the corridors of academia and poses a deep challenge to the basic principles of intellectual honesty and knowledge dissemination. In this digital era where information flows with unparalleled ease, the issue of plagiarism has assumed a very alarming proportion. This paper endeavours to examine various concepts of plagiarism, exploring definition, manifestations, consequences, and most importantly the strategies which are required for breach of this academic integrity and honesty.

Basically, plagiarism is the act of using someone else's work, ideas, or expressions without due acknowledgment and his/her permission. This ambiguous practice not only undermines the intellectual labour of the original author but also destroys the very foundation of trust upon which the academic system flourish. As the era of technology and artificial intelligence makes it difficult to reveal the exact truth of authorship and accessibility, the battle against plagiarism has become an urgent need.

The dimensions of plagiarism are far-reaching, encompassing not only the traditional realms of academic essays and research papers but also extending to digital content, creative works, and even software code. Whether committed inadvertently due to a lack of awareness or deliberately in pursuit of academic shortcuts, plagiarism remains a grave transgression with potentially devastating consequences for individuals and institutions alike.

In the world where knowledge is the most precious gem, understanding the consequences of plagiarism is not merely an academic exercise but also a moral imperative. By analysing the depth

Transformative Impact: Digital Libraries Reshaping Modern Legal Practice

*AMAN PATHAK
**SANTOSH THAKUR

Abstract

This article explores the pivotal role of digital libraries in transforming the way lawyers and advocates engage with legal information. In an era characterized by rapid technological advancements, digital libraries have emerged as indispensable tools for legal professionals, offering efficient and accessible platforms for legal research. The article delves into the diverse benefits of digital libraries, including streamlined access to a vast array of legal resources, significant time and cost savings, and the flexibility of remote access. It highlights how these libraries contribute to more efficient case preparation, foster collaboration within the legal community, and provide up-to-date information crucial for navigating ever-evolving legal landscapes. The discussion also covers advanced search capabilities, multimedia resources, and the support of continuing legal education, demonstrating how digital libraries enhance the overall effectiveness and productivity of lawyers and advocates. As the legal profession continues to evolve, embracing digital libraries is essential for staying abreast of legal developments and fostering a more connected and informed legal community.

53. Embracing the Digital Age : The Evolution of Digital Libraries and Online Legal Resources

-Apoorwa Pandey

Abstract

The digital age has transformed the way information is accessed and disseminated, significantly impacting libraries and legal research resources. This research paper explores the evolution of digital libraries and the development of online legal resources. It delves into the challenges faced, benefits achieved, and the potential future prospects of embracing the digital age in the context of legal research.

Keywords: Digital Age, Evolution, Digital Libraries, Online Legal Resources, Information

Technology, E-resources, Internet

1. Introduction: The digital revolution has revolutionized how we interact with information. Libraries and legal research resources have also undergone a profound transformation, transitioning from traditional brick-and-mortar establishments to digital platforms. This paper aims to examine the key aspects of this transformation and its implications for legal research.

Also, in the digital era, information accessibility and dissemination have undergone a radical transformation. Libraries, once defined by towering shelves of printed books, have now evolved into digital libraries that provide instant access to a vast array of knowledge. The legal sector has not remained untouched by this transformation, as online legal resources have become indispensable tools for legal professionals and the general public. This article explores the concept of digital libraries, their significance, and the role they play in offering efficient access to online legal resources.

2. Evolution of Pre-digital

landscape, library collections of printed books, and information, and through the maze of physical resources was limited to the considerable effort of interlibrary loan from distant libraries. Information retrieval through shelves of physical materials, making the treasure trove of knowledge limiting the material's accessibility. A cumbersome and time-consuming process, the susceptibility of physical resources to damage and the limited space of physical libraries yearned for the transformation of the digital age.

Emergence of Digital

The emergence of digital technology transformed the world of information. The advent of information technology brought a revolutionary transformation to libraries or virtual libraries that provide users with instant access to a vast array of resources. These digital versions of printed books, academic journals, and legal documents provided universal access, enabling users to explore the

तमिल काव्य "पांचाली शपथ" के अध्ययन में पुस्तकालय का महत्व

धृति श्रीवास्तव

सहायक प्राध्यापक (हिन्दी)

डी. पी. विप्र विधि महाविद्यालय, बिलासपुर (छ.ग.)

महाकवि सुब्रह्मण्य भारती तमिल साहित्य के दैदीप्यमान नक्षत्र हैं। "पांचाली शपथ" उनकी उत्कृष्ट रचनाओं में से एक है। इस काव्य में महाभारत के एक सुविदित आख्यान को उन्होंने मात्र एक संवेदनशील कवि की दृष्टि से नहीं, बल्कि महान देश प्रेमी, कर्मठ, समाज सुधारक और जागरूक भौतिकतावादी की दृष्टि से भी अभिसिंचित किया है। इनका यह खण्डकाव्य प्रतीक कथा बन गया है। इस खण्डकाव्य की नायिका "पांचाली" भारत माता के प्रतीक के रूप में उभर कर आती है। दासता की बेड़ियों से जकड़ी हुई, अपने देश वासियों की विवशता और असमर्थता पर आर्तनाद करती हुई भारत माता अपनी शुचिता पर आक्रमण करने के लिए आतुर आतताइयों को वह ललकारती है और अपने अपमान का बदला लेने की शपथ लेती है।

इस रचना के प्रत्येक शब्द से महाकवि भारती की राष्ट्रीयता, देश प्रेम और नारी जाति की पखषता के प्रति आक्रोष कविता के कलेवर में फूट निकली हैं। महाकवि भारती केवल एक राष्ट्रीय कवि ही नहीं बल्कि एक निर्गिक पत्रकार, स्वतंत्रता सेनानी, क्रांतिकारी, समाज सुधारक और भविष्य दृष्टा भी थे। जीवन से निरंतर संघर्ष करने वाले महाकवि भारती का सम्पूर्ण साहित्य हमारे देश की अमूल्य निधि है। प्रस्तुत शोध पत्र का उद्देश्य "पांचाली शपथ" ग्रन्थ का विश्लेषणात्मक अध्ययन प्रस्तुत करना है जिसमें पुस्तकालय की विशिष्टता एवं आवश्यकता का बोध कराना है।

महत्वपूर्ण शब्द— संवेदनशील कवि, दासता, आतताई, राष्ट्रीयता, क्रांतिकारी, पुस्तकालय

 The special and unique importance of the law library and its role as a laboratory for legal research. Students, faculty, lawyers, judges, and the public use the law library to find legal materials. Without the law library, the legal system is grounded on precedent.

The library is highlighted by noting that it is not just any other single subject. It is highlighted by the West Publishing Company's appellate cases and many trial volumes and is growing at The National Reporter System. The materials found in a basic reporter, statutes and various regulations are only one, and the least of the library's primary research programs of the law.

Quality Academic Research

schools i.e. in the educational area, the library complement the classroom and clinical instruction. So, the usage of law school library is multifaceted as it serves to the practicing lawyers, the law students and the layman. Therefore, the law school libraries must be research as well as service libraries.

Impact of Digital Resources In Physical Education

Alok sharma

Sports Officer

D. P. Vipra Law College, Bilaspur (C.G.)

Abstract :- Digital technology is at the heart of education reform in the 21st century, with many educators and administrators looking to optimize the learning process. Coaches and gym teachers can use apps to track their students' physical activities and stats outside of school and assign daily assignments or weekly to-do lists. These grades can be shared between faculty and students through SharePoint, providing a scaffolding of support to keep student athletes' grades from slipping.
