ICT Tools :-

Teachers of our college always try to use of technology in their teaching process. College organises faculty Development Programme (FDP) on using of smart board, use of ICT tools in class room teaching to enhance the knowledge and skill of teachers. Teachers have skills to use new digital tools to help all the students achieve high academic standards.

Facilities for ICT enabled teaching learning at D.P. Vipra Law College -

- The college has five smart class rooms.
- The college has Wi-Fi campus which is helpful to the teachers and students to access the internet.
- All teachers of the college have uploaded and are uploading their educational video lectures on the college website.
- Students are also motivated to use the YouTube, internet, and other such ICT tools to know the latest amendments and changes in their relevant subjects, in other words it keep the students up to date.
- It is an effective way for acquiring information from multiple sources to help students to enhancing their knowledge.
- College have whats app group and android application for information and study material sharing.
- E-resources through N-List.
- All the teachers were teaching online classes during corona pandemic.
