1.3 CRITERIA WISE SUMMARY

Criteria I: Curricular Aspects: This institution fosters a rich learning environment that extends beyond traditional coursework. Students can explore specific legal interests through 14 elective courses, while 36 experiential learning courses provide practical application of legal knowledge. The program goes further by actively developing essential skills, with over 630 students participating in Mediation/Client Counselling exercises. The institution's commitment to continuous improvement is evident through 29 value-added courses offered in the last five years in which more than 60% students participated, and by gathering regular feedback from students, faculty, alumni, and employers. This comprehensive approach ensures students develop the knowledge, skills, and practical experience necessary for legal success.
